A Deciding Officer may have regard to this opinion in deciding whether you satisfy the medical eligibility for Disability Allowance. It is important therefore that you enclose with your application full details of your medical condition and how it affects your everyday life and ability to work so as to ensure that all relevant matters are taken into account at the earliest opportunity. A failure to do so could result in a decision on your application being significantly delayed.

**In addition to your doctor completing Part 12 you should request them to enclose copies of any recent reports from specialists (such as consultants, psychiatrists, psychologists, physiotherapists, counsellors), any results of tests and any other information that your doctor thinks is relevant. This will ensure that we have a full picture of your medical condition when we make a decision on your claim.**
